November 19, 2001

Dear Sir:

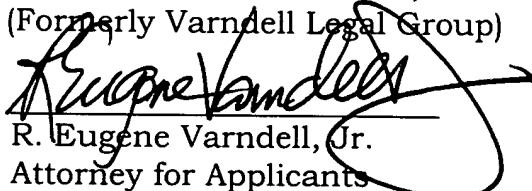

In response to the Notification to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures, and the Notification of Missing Requirements under 35 USC 371 in the United States Designated/Elected Office (DO/EO/US), both mailed September 19, 2001, applicant is submitting herewith a Second Transmittal of Sequence Listing, together with a copy of the above-mentioned Notifications.

The Notifications set forth a response due date of two months from the mailing date thereof. Accordingly, this response is due on or before November 19, 2001.

The Second Transmittal of Sequence Listing submitted herewith includes: (1) a substitute paper copy of a Sequence Listing for the above-identified application that has been prepared in accordance with the sequence rules under 37 C.F.R. § 1.821 to 1.825, (2) a computer readable form of the Sequence Listing as required in 37 C.F.R. § 1.821(e), and (3) a statement that paper copy and computer readable form of the Sequence Listing are the same and include no new matter, as required in said Notifications. Accordingly, it is respectfully requested that this application be forwarded to the examination area of the Patent Office for examination on the merits.

In the event this paper is not timely filed, applicant hereby petitions for an appropriate extension of time. The fee therefor, as well as any other fees which become due, may be charged to our Deposit Account No. 22-0256.

Respectfully submitted,
